

The Devil.

Men don't believe in a Devil now, as their fathers used to do; They have forced the door of the broadest creed, to let his Majesty through. There isn't a print of his cloven foot or a fiery dart from his bow To be found in earth or air to-day, for the world has voted so.

But who is mixing the fatal draught that pulses heart and brain, And loads the tier of each passing year ten hundred thousand slain? Who blights the bloom of the land to-day with the fiery breath of hell, If the Devil isn't never was? Won't somebody rise and tell?

Who dogs the step of the toiling saint and digs the pits for his feet? Whoseoes the tares in the field of time wherever God sows his wheat? The Devil is voted not to be, and, of course, the thing is true; But who is doing this kind of work the Devil alone should do?

We are told he does not go about as a roaring lion now; But whom shall we hold responsible for the everlasting row To be heard in home, in church and state, to the earth's remotest bound, If the Devil by a unanimous vote is nowhere to be found?

Won't somebody step to the front forthwith, and make their bow and show How the frauds and the crimes of a single day spring up? We want to know The Devil was fairly voted out, and, of course the Devil's gone; But simple people would like to know who carries his business on.

—Rev. Alfred J. Howe, in the Independent.

KIDNEY-WORT
A NOTED BUT UNTITLED WOMAN.
[From the Boston Globe.]

The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Friend of Women," as some of her correspondents love to call her. She is a devoted mother, and her life is the outcome of a life-story, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhoea, irregular and painful menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes fatness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Dyspepsia, Depression and Indigestion. That feeling of bearing down, coming pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only \$1.00 per bottle or six for \$5.00, and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of either sex this compound is unsurpassed as a standard tonic. "Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation, Biliousness and Torpidity of the Liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity." All must respect her as an Angel of Mercy whose sole ambition is to do good to others.
